Client Crisis Fund – This fund was created to support clients (JOG participants) when they find themselves in a crisis situation or a situation where, with just a little help, they can continue to grow and become successful. For example, we might help purchase a new car battery so a client can make it to work, or pay for temporary housing if a client finds themselves homeless suddenly. Traditional JOG funding is sometimes restricting, this fund helps JOG help those in need, when they need it, no strings attached. Please consider giving a gift to the Client Crisis Fund.
